

Abamectin 0.15 EC

Broad Spectrum Ornamental Insecticide & Miticide

Reliable, long-lasting control of mites and leafminers along with suppression of whitefly, thrips and aphids on foliage plants, woody ornamentals and Christmas trees.

- ▶ Low 12 hour REI period.
- ▶ The “hub” product of mite and leafminer control measures in ornamentals.
- ▶ Works through contact exposure.
- ▶ Excellent component of beneficial release programs.
- ▶ Outstanding plant safety record including end of crop cycles.
